Colorado Missions Offering

in Honor of Nicy Murphy is so much more than an offering of our finances. As followers of Christ, we carry with us the one true Living Water. Reaching Colorado with the Gospel is a team effort. We join our financial resources together to accomplish things that we could not do as individual churches. Our church's goal is \$800.00.

Love INC's PBJ Program needs:

Plastic jars of peanut butter & jelly, crackers, fruit or pudding cups, pop-tarts, cereal bars, fruit juices. The program ensures that needy elementary school children will have food throughout the weekends. Items can be placed on the table in the church foyer. Thank you for joining us to fight hunger wherever it is found, especially among the children!

High Country Baptist Association's annual meeting is here at the church on Saturday, September 24.
We meet at 10:00am for worship and business. Lunch will follow.
