Unfailing Love

Psalms 33:5, “The Lord loves righteousness and justice; the earth is full of His unfailing love.”

God’s love for righteousness and justice are pillars for this love that we have received from Him. The Hebrew term for righteousness is *tsadiq* and it carries the picture of walking upright or straight. Prov. 3:5-6 says Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight.

As we think of this passage, we can see that God loves those who trust Him and follow His ways instead of their own. He always gives His best to His children. His way of righteousness will lead us in His path and make our ways straight. It will also cause us to want the things that He desires, including justice.

As you meditate on His ways today, consider that the promise of this verse is that as we love what He loves, we help fill the areas around us with His unfailing love. And in fact, that is His plan, so that others will know that He has done everything for us. He loves this world of people that He has created, and He always will.

As His ambassadors, we are to be His voice, His hands and feet, His encouragement, His messengers, His salt and light, His love to a lost and dying world. We must fill this earth with His unfailing love. We must. It is our duty, our privilege, and our honor, to share His love. Dear Lord, I praise You that You are holy, righteous, and just. I praise You that Your love will never fail. I thank You that You will always be this way. In Jesus Name, Amen
