Because God loves you, He Provides- Part 171

Did you know that God loves you more than anyone else could ever love you?

God proves His love to you by **His wonders**. **Ps. 9:1**, ***“I will give thanks to the LORD with all my heart; I will tell of all Your wonders.”***

The Hebrew word for *wonders* is **nif le ov tei cha** which means *marvelous, what seems hard, wondrous, or miraculous*. David was reminding himself of all the amazing and wonderful things that God had done in his life. He had protected him as a young shepherd boy and helped him kill the lion and the bear. He had watched over him when the “mad” king Saul was trying to track him down to kill him. He gave him the courage to stand and face the massive Philistine Goliath. He had seen the armies of Israel conquer the opposition. Over and over again, David knew that the works of God were miraculous.

As you take some time this season, can you not contemplate the many times that God has done amazing things in your life? Maybe it was your spouse that He brought into your life at just the right place and right time. Maybe it was the birth of your child or your grandchild. Maybe it was the job He gave you or the times that you didn’t know how you could pay the bills, but a check came in the mail at just the right moment. As Paul stated in **Eph. 3:20-21**, ***“Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.”***

David had determined to not keep these things silent, but instead, we wanted to praise the LORD with all of his heart. Can you take some time today to give thanks to the One Who has done so many things in your life?

Dear Father, we give thanks to You. You have done so many marvelous works for us. You have saved us and You have given us new life, hope, peace, joy, and especially Your love. Thank You Lord. In Jesus Name, Amen
