**Because God loves you, He Provides- Part 127**

Did you know that God loves you more than anyone else could ever love you?

God proves His love to you by **His illuminating love, Part B. Ps. 27:1** ***“The LORD is my light and my salvation-whom shall I fear? The LORD is the stronghold of my life-of whom shall I be afraid?”***

The Greek word for light again is *phos* which means *light, especially in terms of its results and what it manifests*. We get our word photo from this word. The Lord is the picture of my salvation. He is picture-perfect. Everything we need is found in Him. He gives us clarity in the midst of confusion. He opens doors and He shuts them for our direction. He watches over us for our protection. And, He gives us His light so that we can know where we are to go and what we are to do. All of His counsel comes by His Holy Spirit and by the Word of God.

Maybe you sometimes feel like you can't find your way or you don't know where to go. Maybe you are facing decisions that you don't seem to know which to choose. Maybe you are feeling trapped or overwhelmed. Maybe you're like the fellow who said he finally saw the light at the end of the tunnel and then realized it was a train.

Life can be difficult for sure. We live in a broken, sinful world that cannot meet our needs and gives us no clear hope. But be encouraged by this thought. The Lord loves you so much that not only did He offer us salvation, He also gives us His light to illuminate our lives and show us where we are to go and what we are to do. He is our light and our salvation. He is the One Who leads us in a dry and thirsty land where there is no water and shows us His path to His living water. And, His word is a lamp unto our feet and a light to our path.

When you don't know the way or you can't seem to see His hand, call upon Him and He will answer you and show you the way that you should go.

**Dear Father, thank You for being so faithful to us. You continually shine Your light so that we can see. You lead us in the path that we should go. Help us to be obedient to Your leadership and Your word. We love You, In Jesus Name, Amen**
